

# **Matrixforce® RED ALERT!**

January 2, 2021

To Whom It May Concern:

Solarwinds and all their customers were reported as hacked on December 19, 2020 by national news, along with industry and government authorities. We wanted to assure you that:

- 1) Matrixforce is NOT a Solarwinds customer.
- 2) Matrixforce does NOT utilize third-party contractors.
- 3) Matrixforce has NO customer data on our corporate network.
- 4) Matrixforce is Oklahoma's ONLY vetted IT support with annually published investigation:

Please know my staff and I are available to answer any other questions or provide assistance.

Sincerely,

Kevin Fream  
CEO  
Matrixforce Corporation
